EXPERIENCE

Professional development

April 2024 - Present

Career Break (currently working on obtaining a degree in graphic design)

Martina-Elena Web Design, Kansas City. MO—Web Designer

Contract

May 2023 - April 2024

- Provided front-end website development using WordPress, Hubspot, and other editing software.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, CSS, and Bootstrap coding.
- Coded websites using HTML, CSS, JavaScript, and PHP languages.

Self-Employed, Kansas City. MO—Freelance Web Designer

Full-time

June 2022 - Jan 2024

- Wrote, analyzed, debugged, and delivered clean, validated and maintainable codes.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, CSS, and PHP coding.
- Coded websites using HTML, CSS, JavaScript, and BOOTSTRAP.
- Provided technical consulting support on projects or system issues.
- Verified system integrity by utilizing proper architectural designs.

Re-View, Kansas City. MO—Woodworker

Full-time

Jan 2023 - July 2023

- Set up, operated, and tended different types of woodworking machines, such as saws, milling machines, drill presses, sanders, and wood-fastening machines. I used equipment to cut and shape wooden parts and to verify dimensions, using a template, caliper, and ruler

International Paper, Kansas City. MO—Machine Operator

Full-time

Aug 2021 - Nov 2022

- Set up and operate paper goods machines that perform a variety of functions, such as converting, sawing, corrugating, banding, wrapping, boxing, stitching, forming, or sealing paper or paperboard sheets into products.

International Paper, Kansas City. MO—Manufacturing Associate

Full-time

Jun 2021 - Aug 2021

- Assist the machine operator with preparing every needed tool.
- Clean-up functions such as blowing down the machine, wiping off shafts, cleaning ink systems, vacuuming and sweeping the machine area, as well as picking up and shredding scrap. Work around moving equipment.

Alight, Gicumbi. Rwa

Part-time & Volunteer

Jan 2018 - Feb 2021

- I was a part of the volunteer team in charge of helping new refugees find comfort in the refugee camp and assisting children in finding schools and communities to join.
- I was a part of the COVID-19 volunteer program that helped refugees with COVID-19 to get the help they needed and helped by providing facemasks and other tools to help with preventing COVID-19 spread.
- I joined the ALIGHT technology team to help the youth get comfortable with technology, Eg: cell phones, Computers, the internet, etc...

GBV, Gicumbi. RWa

Volunteer

Jun 2017 - Sep 2019

- I worked as a team member helping in the prevention of gender-based violence especially on children.
- Managed one of the groups (Anti-SIDA). Organizing meetings and events to find the solution to sexually transmitted diseases and unexpected pregnancies among the youth.

AWARDS

I received an Outstanding Student of the Year award in 2020-2021 at Metropolitan Community College, which is awarded to students who work very hard to achieve their goals.

LANGUAGES

- English
- Swahili
- Kinyarwanda
- French

EDUCATION

**Metropolitan Community College, Kansas City, MO—
Currently Enrolled**

Part-time

Aug 2022 - Present

I am pursuing a degree in Web and Graphic Design.

Alight Coding Bootcamp, Kigali, Rwanda

Feb 2017 - May 2018

I studied the fundamentals of programming and learned the basics of Web design and database management.

During my time at this school, I used Wix and WordPress to develop different websites for refugees who had businesses in Gihembe refugee camp, Rwanda, which made it easier for them to advertise their products on the Internet.
